**Treasury Consulting Club – “The Mavericks Club“**

**Treasury Consulting LLP:** - Treasury Consulting LLP is a Multinational Corporate having Setup in Singapore, India. Company do have 8 Business Verticals, 44 Business Domains whereby we are having interest in all types of Business.

Treasury Consulting LLP is having very well managed Revenue Stream where by 80% of the Revenue coming from G7 Countries while 20% of the Revenue from India. Sitting today our Cash Reserves are invested in Fixed Income (FI) Instruments and generating decent Dividend Income. Treasury Consulting LLP would continue to maintain status of 0% Debt, 100% Equity and 0% funding by 2022.

During 2022 we would be starting the development of our own Treasury Management Systems (TMS) which would also act as a feeder. This Treasury Management System would be a hosting platform and can link with either of Enterprise Resource Management (ERM) like Sap, Oracle. Treasury Management System would also integrate with our Fixed Income Platform – [www.fixedincome.global](http://www.fixedincome.global) covering all Desks at that point of time.
